

## Christmas Lights Card with Lindsay Mason Designs by Teresa Morgan

This week I have another pretty Christmas card using some of the fabulous Sweet Dixie stamps available from Personal Impressions. Designed by Lindsay Mason, it features her gorgeous girl stamp and some pretty fairy lights.

Once again, I paper pieced the girl by stamping her onto some patterned papers and cutting out her clothes. I added some mini buttons for a fun touch.

The background design uses the fairy lights and mini Happy Christmas sign from the Fairy Door set.
