Darkroom Door Christmas Reindeer Stamp Set DDRS020

Archival Crimson Inkpad

Here's how you can make them...

Card on left:

1. Fold 15cm x 9.5cm red cardstock to create small gift card.
2. Adhere 10cm green ribbon to the front of card. Trim edges into a point as shown.
3. Trim large image from Yuletide Montage. Adhere to card.
4. Trim words from Yuletide Vol 2 Wordstrips. Adhere to bottom of Montage image.

Card on right:

1. Fold 15cm x 9.5cm red cardstock to create small gift card.
2. Trim panel of 4 small images from Yuletide Montage. Mount onto green cardstock. Adhere to front of card.
3. Stamp 'Peace, Love, Joy' postmark from Christmas Reindeer DDRS020 stamp set onto green cardstock. Punch out with 1" circle punch. Adhere to centre of card using foam adhesive.

How's that! Easy peasy. These would be cute hung around a bottle of wine or for your wrapped gifts!
