Foam pads, 3.3100

DL shaped card

Cut background paper from Madeline paper pad and adhere to card, adhere ribbon down the side of the card and apply a small bow made from the same ribbon.

Die cut two Octagons from Spellbinders Octagons Dies ~ one from your Madeline pad and one in white cardstock

Next, ink up your stamp using Staz On black ink pad and stamp onto the white Octagon. Use your Marvy Le Plume pens and watercolour brush to create a soft water coloured effect. Mat and layer using foam pads and adhere to your card.

Take one of the Madeline Rub-Ons with Rhinestones and apply to top right corner of card. Adhere a small Que Sera Sera charmer to finish off on bottom left of card.
