M83 Curly Designs - PG81993

The projects in this Magazine were created by registered Pergamano teacher Carol Truebody from South-Africa. The projects consist of embossing, perforating and paint work. The magazine also includes patterns of an elegant alphabet which can be used on all occasion cards.

M84 Challenging White Work - PG81994

Pergamano teacher Paoling Lin from Taiwan has compiled this very diverse Magazine, which includes a Barbie dress, five small candy boxes, a white work box and two cards.

Brushstroke Paint - White

PG21280
This paint is especially developed for the one stroke painting technique. This high quality paint can be picked up directly with the brush.

Brush Flat No. 6

PG11429
This flat brush can easily side loaded and/or double loaded with paint. The brush is made of Toray hair (synthetic).

Brush Filbert No. 2

PG11430
A combination brush shape, flat and round its ideal to paint leaves and petals.

Round Brush No. 2

PG11431
This brush has a round shape and is ideal for painting details. It's a top quality brush, made of weasel hair and can be used with all types of paints and inks.

Parchment Paper Starry Sky Gold

PG62568 - 5 sheets
PG61790 - 25 Sheets
This parchment paper (A4, 150 grams) features a whimsical design of curls, dots and stars printed in sparkling gold. Perfect to use for Christmas cards or other themes such as weddings and anniversaries.

Vellum Dogs

PG62567 - 5 Sheets
PG61789 - 25 Sheets
After the successful cats vellum, there is now a special vellum (A4, 90 grams) for the dog lover. Six images of different dogs, with plenty of space left around to add a creative edge and/or border. The images can also be embossed, which will give a true to life raised effect.

Vellum Christmas Bears

PG62566 - 5 Sheets
PG61788 - 25 Sheets
Especially for Christmas, Pergamano has created a vellum with six Christmas bears in the snow (90 grams, A4 size). There is enough space around the images to create an edge or a border or for writing a Christmas wish. Emboss the snow and parts of the Christmas bears to create a beautiful effect of depth!

Vellum Gold

PG62569 - 5 sheets
PG61791 - 25 Sheets
This stylish gold coloured vellum (A4, 100 grams) gives an elegant touch to any creation. The vellum has a subtle sparkle and can be combined with vellum silver and vellum black.

Multi Grid Number 3

PG31457

The grids fanciful design offers opportunities for creating borders and filling spaces with a perforation and/or embossing pattern. A number of perforating and embossing tools fit into the grid. The package contains colour examples and pattern ideas, the multi grid is A5 size and made of high quality stainless steel.

Multi Grid Number 4

PG31456

This multi grid can be used to create regular, embossing and perforating work. The holes are placed in a right and congruent angle, which makes it possible to create square motifs or edges. The following tools can be used on the grid: embossing tool fine stylus and perforating tools 1-needle and 4-needle. The package contains colour examples and pattern ideas, the multi grid is A5 size and made of high quality stainless steel.

Multi Grid Number 5

PG31455

This grid offers a variety of designs, they can be combined or used separately. Many types of perforating and embossing tools fit into this grid, for example perforating tools 1-needle, 4-needle, five in a circle, semi-square and embossing tool extra small ball. The package contains colour examples and pattern ideas, the multi grid is A5 size and made of high quality stainless steel.

Tool Organiser

PG41172

Your Pergamano tools are within easy reach with this practical and handy tool organiser! You can neatly arrange your tools to your own liking. There is also room to store for example your pointed scissors, A5 embossing and perforating mats and grids. The tool organiser can be completely closed off with a zipper and has many extra storage space and pockets. The handle makes it very easy to take the tool organiser with you to a course or workshop. The tool organiser is carried out in the recognizable Pergamano colours and has a black lining which brings out the Pergamano tools beautifully. The size of the tool organiser is 27 cm x 22 cm.

Perforating Tool - Wing

PG10233

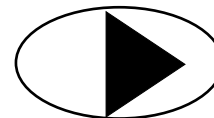

This perforating tool has eight needles in the shape of a wing, it is ideal to use for perforating edges. When the perforations are cut out, an even scalloped edge will appear. Combine this tool with the other perforating tools with your own ideas and creativity to achieve a great result. The perforating tool wing has the new look and is carried out in the distinctive Pergamano colours.

Embossing Tool - Diamond

PG10025

You can easily emboss squares in parchment paper with this new embossing tool. The technique is simple: place the embossing tool diamond onto the parchment paper and emboss the square by gently pressing the embossing tool on the parchment. The tool can be used without a pattern, so it can be freely applied in any of your creations. The embossing tool diamond has the new look and is carried out in the distinctive Pergamano colours.

Embossing Tool - Triangle

PG10026

Easily create triangles on parchment paper with this embossing tool. The technique is simple: place the embossing tool triangle onto the parchment paper and emboss the triangle by gently pressing the embossing tool on the parchment paper. The tool can be used without a pattern, so it can be freely applied in any of your creations. The embossing tool triangle has the new look and is carried out in the distinctive Pergamano colours.
