Products used:

SBS4-276 Sweet Treats Shapeabilities

SBS4-239 Classic Scalloped Border Petites

American Crafts Galaxy Markers ~ 62122 White, 62126 Pink, 62118 Green

Versamagic Dew Drop VGD-39 Key Lime Ink Pad

Cut'n'dry Foam CND14607

Brown, Red, Yellow and White cardstock.

Small piece of patterned cardstock for border.

8"x 5.5" white card and 5"x5" white card.

Using your 5x5 white card, die cut a classic scalloped border on the top edge. Using cut'n'dry foam, ink up using the Key Lime ink, apply to all four edges.

Die cut the larger of the Classic Scalloped Border Petites from the patterned cardstock, adhere to bottom edge of inked card.

Die cut your Sweet Treat shapes in colours on sample card, emboss and then go over the raised parts of the images with co-ordinating colours of Galaxy Marker Pens ~ these pens work great if using darker cardstock with a lighter coloured pen! When dry, adhere to the front of your inked card. Make a "wallet" using double sided tape sticking the 8x5.5 card to the finished card front.

Then using your computer, or rubber stamps, print the required wording onto a piece of yellow cardstock 6.75" x 5", die cut the Classic Scalloped Petite Border along the top and tie a ribbon bow through the centre hole. You can also print or write further down the insert details of when and where your event is being held.
