Using white smooth cardstock, emboss your Flower Silhouette Impressabilities, trim edges with paper trimmer.

Adhere a piece of cream ribbon across the front of this, tucking edges around the back.

Die cut two Labels 12 one in cream and one in white. Whilst the cream label is still in its die, lightly go over with the Old Paper Distress Ink, remove label from the die. Mat and layer using foam pads and adhere on top of ribbon on card. Stick the ATD Wedding Ring Sticker to centre.

Plain, simple and very easy....ideal wedding invitation or wedding thank you card.
